

Complete Knowledge Base

--- amenities.txt ---

Library Amenities

Pets

- Service animals are always welcome in the library.
- Emotional support animals or other pets are not permitted inside the building. However, there is a designated waiting area outside the main doors where dogs can be tied up safely.

Food and Drink

- Covered drinks (such as thermoses, water bottles, and coffee cups with tight-fitting lids) are permitted anywhere in the library.
- Light snacks are permitted in the main lobby and the ground floor study areas.
- No food of any kind is permitted near the public computers or in the rare book archives.

Study Rooms

- The library offers 6 private study rooms that can be booked for up to 2 hours at a time.
- Rooms can be booked via the online portal or at the main circulation desk.
- Please be mindful of noise levels; while the rooms are sound-dampened, they are not completely soundproof.

--- borrowing_policies.txt ---

Zylo Library Complete Borrowing Policies & Procedures

Borrowing Limits

- Standard members may have a maximum of 3 active loans at any given time.
- A book is considered "active" from the moment it is borrowed until it is returned.
- To borrow a 4th book, at least one currently borrowed book must be returned first.

Loan Duration

- The standard loan period is 14 days from the date of borrowing.
- The due date is automatically calculated and displayed in your Dashboard and when requested through the AI assistant.

Renewals

- Each loan may be renewed once, extending the due date by an additional 14 days.

- Renewals must be requested before the original due date.
- Books that are already overdue cannot be renewed.
- To renew, ask the assistant: "Renew my loan for [book title]."

Late Fees

- A late fee of \$0.50 per day is charged for each day a book is overdue.
- Late fees begin accumulating the day after the due date.
- Fees are tracked on the user's account and must be settled before new books can be borrowed.
- The maximum late fee for a single book is capped at the book's replacement cost.

Lost Books

- A book is considered "Lost" if it has not been returned within 30 days of its due date.
- The user's account will be charged the full replacement cost of the lost book.
- An additional administrative processing fee of \$10.00 will be applied for each lost book.
- Lost book charges must be cleared before the account can be used again.

Damaged Books

- Books must be returned in the same condition as they were borrowed.
- Damage includes: water damage, torn pages, broken spines, writing/highlighting, missing covers.
- Damage assessment is made by library staff upon return.
- Minor damage: discretionary repair fee up to \$5.00.
- Severe damage or complete destruction: full replacement cost plus \$10.00 processing fee.

Reserved Books

- If a book you want is currently unavailable (all copies are borrowed), you may ask the assistant to notify you when a copy becomes available.
- Reservations are fulfilled in the order they were placed.

Inter-Library Requests

- If a specific title is not in our catalog, members may submit a purchase request.
- Contact an administrator to submit a catalog addition request.

Account Suspension

Accounts may be suspended in the following cases:

- Outstanding late fees exceeding \$20.00.
- Two or more lost book charges.
- Violation of the library's community conduct standards.

Suspended accounts lose borrowing privileges until the outstanding balance is cleared and the matter is

reviewed by an administrator.

Privacy Policy

- Member borrowing history is private and is only accessible to the member and administrators.
- Data is stored securely and never shared with third parties.
- All passwords are stored as cryptographic hashes (bcrypt) and are never recoverable.

Zylo Library Digital Resources & Online Services

Digital Catalog

Zylo Library maintains a digital catalog of over 1,000 books spanning more than 20 genres. The full catalog is searchable through the AI Library Assistant. Key genres available include:

- Classic Literature
- Science Fiction
- Fantasy
- Mystery & Thriller
- Biography & Memoir
- History
- Science & Technology
- Philosophy
- Psychology
- Self-Help & Productivity
- Romance
- Children's Books
- Young Adult
- Horror
- Travel & Adventure

AI-Powered Catalog Search

Our AI Library Assistant can search the catalog using natural language. Examples of search queries:

- "Find me books by J.R.R. Tolkien"
- "Do you have any books about machine learning?"
- "Show me available mystery novels"
- "What Sci-Fi books do you have?"
- "Is there a copy of '1984' available?"

Online Account Dashboard

Every registered member has access to a personal dashboard at /dashboard. From the dashboard you can:

- View your current active loans
- See due dates for each borrowed book
- Return books with a single click
- Browse featured books
- Track your reading history

Borrowing via the AI Chat

You can borrow and return books entirely through the chat interface without ever needing to visit the library. Just tell the assistant:

- "Borrow [book title]"
- "Return [book title]"
- "What books do I currently have?"

eBook Resources (Coming Soon)

We are working on integrating digital eBook lending so members can download eBooks directly to their devices. This feature will be available in a future update.

Accessibility

Our platform is designed with accessibility in mind:

- Full keyboard navigation support
- Screen reader compatible
- Light and Dark theme toggle
- Mobile-responsive design for access on any device

System Status

The Zylo Library platform runs on a cloud-hosted Azure virtual machine with 99% uptime. The AI assistant is powered by Cerebras-accelerated Llama language models, providing ultra-fast response times.

API Access

Developers and researchers interested in integrating with the Zylo Library API can view the full API documentation at: /docs (FastAPI auto-generated Swagger UI).

Zylo Library Frequently Asked Questions (FAQ)

General

****Q: What is Zylo Library Assistant?****

A: Zylo is an AI-powered library management system that lets you search the catalog, borrow books, return books, and get answers to library-related questions through a natural chat interface.

****Q: How do I borrow a book?****

A: Simply tell the assistant which book you want to borrow by title or ID. For example, say "I want to borrow book #42" or "Borrow The Great Gatsby for me." The assistant will process your request instantly.

****Q: How many books can I borrow at once?****

A: Each user can borrow up to 3 books at a time. If you have reached your limit, you must return at least one book before borrowing another.

****Q: How long can I keep a borrowed book?****

A: Books can be borrowed for a maximum of 14 days. After 14 days, a late fee of \$0.50 per day will be applied automatically.

****Q: How do I return a book?****

A: Tell the assistant you want to return a book. For example: "Return my copy of Dune" or "I'd like to return book #15." You can also return books from your Dashboard page.

****Q: Can I renew my loan?****

A: Yes! Tell the assistant "I'd like to renew my copy of [book title]." Renewals extend your loan by another 14 days. You may only renew once per loan.

****Q: How do I check my current loans?****

A: Ask the assistant "What books do I have borrowed?" or "Show me my active loans." You can also view your loans on your personal Dashboard.

****Q: Is my data secure?****

A: Yes. All accounts are protected with JWT (JSON Web Tokens) and bcrypt-hashed passwords. Google OAuth is also supported as a secure sign-in option.

****Q: How do I create an account?****

A: Click "Sign Up" on the login page, enter a username, email address, and a password (minimum 6 characters), and your account will be created immediately.

****Q: I forgot my password what should I do?****

A: Currently, password resets must be handled by a library administrator. Please contact the admin team or use Google Sign-In if your email is linked to a Google account.

****Q: Can I search for books by genre?****

A: Yes! Ask the assistant "Show me Science Fiction books" or "Find books about history." The search covers

titles, authors, and genres.

****Q: What happens if I lose a book?****

A: If a book is more than 30 days overdue, it is automatically flagged as "Lost." Your account will be charged the book's full replacement cost plus a \$10.00 administrative fee.

****Q: How do I contact the library?****

A: Visit us during opening hours or contact an administrator through the admin panel.

Library Rules and Policies

Borrowing Limits

- Each user is permitted to borrow a maximum of 3 books at any given time.
- Books can be borrowed for a maximum period of 14 days.

Late Fees

- Late fees are applied automatically for any book that is not returned by the due date.
- The standard late fee is \$0.50 per day for each overdue book.
- If a book is more than 30 days overdue, it will be considered "Lost".

Lost or Damaged Books

- If a book is deemed Lost, the user's account will be billed for the full replacement cost of the book, plus a \$10.00 administrative fee.
- Books returned with severe water damage, torn pages, or missing covers will be subject to a replacement fee at the discretion of the librarian.

--- membership_guide.txt ---

Zylo Library Membership Guide

How to Register

New members can register directly on the Zylo platform:

1. Go to the login page at mychatbot.codes/login
2. Click "Sign Up" to open the registration form
3. Enter your desired username (minimum 3 characters, maximum 50 characters)
4. Enter your email address this must be a valid, unique email
5. Create a password (minimum 6 characters)
6. Click "Create Account" you will be automatically logged in

Alternatively, you can sign in with your Google account using the "Continue with Google" button for a quick, password-free setup.

Membership Tiers

Standard Member (Default)

- Borrow up to 3 books at a time
- 14-day loan period per book
- 1 renewal per loan
- Access to the full digital catalog of 1,000+ books
- Chat with the AI Library Assistant
- Personal Dashboard with loan history

Administrator

- All Standard Member privileges
- Access to the Admin Panel
- Manage the full book catalog (add, edit inventory)
- View all active loans across all users
- Manage user accounts and assign/revoke admin roles
- Upload documents to the AI knowledge base
- Monitor usage statistics

Administrators are appointed by existing administrators through the Admin Panel.

Account Management

Updating Your Profile

Currently, username and email updates must be requested from an administrator. Password changes are handled directly in your account settings.

Deleting Your Account

To request account deletion, please speak to a library administrator.

Linking Google Account

If you signed up with a username/password, you can still use "Continue with Google" to sign in as long as the email matches your registered email address.

Student Membership

Students at affiliated institutions receive the same Standard membership benefits. If your institution has a partnership with Zylo Library, contact an administrator to have your account verified and upgraded.

Library Card (Digital)

Every registered user receives a digital library card, which is their user account in the Zylo system. There is no physical card required.

--- reading_programs.txt ---

Zylo Library Reading Programs & Community Events

Summer Reading Challenge

Every year from June to August, Zylo Library runs the Summer Reading Challenge. Participants track their reading and earn badges for every 5 books they complete. Top readers at the end of the summer are featured in the library's "Hall of Readers."

To join, simply register your account and start borrowing books during the summer period.

Book Club

The Zylo Book Club meets virtually every second Saturday at 3:00 PM. Each month, a new book is selected by member vote and discussed in a group chat session. All members are welcome.

How to join:

- Register on the Zylo platform
- Express interest in the Book Club via the chat assistant
- You will be added to the next session

Current Book Club selection: Rotating monthly ask the assistant for the current pick.

Author Spotlight Series

Once a month, Zylo Library features a deep-dive into a specific author's catalog. The AI assistant is updated with additional knowledge about the author's biography, themes, and recommended reading order.

Past spotlights have included authors in the genres of Science Fiction, Classic Literature, and Contemporary Fiction.

Reading Challenges by Genre

In addition to the Summer Challenge, genre-specific reading challenges run throughout the year:

- ****Sci-Fi January**** Read 3 science fiction books in January
- ****Mystery March**** A mystery book a week for the month of March
- ****Biography May**** Explore real lives with one biography per week

Ask the assistant to recommend books for any active reading challenge.

New Arrivals

New books are added to the catalog regularly. Ask the assistant "What are the newest books in the catalog?" to see the most recently added titles.

Recommendations

The AI assistant can recommend books based on:

- Your past reading history
- Your preferred genre
- Books similar to ones you've enjoyed
- Bestseller and critically-acclaimed lists

Ask "Can you recommend a good thriller?" or "What should I read next if I liked Dune?"

For Schools and Classrooms

Zylo Library partners with schools to provide classroom reading lists. Teachers can request bulk borrowing privileges for approved educational reading. Contact an administrator to set up an institutional account.
